DIRECTORS' RESPONSIBILITIES STATEMENT

for the period year ended 08 December 2025

The directors are responsible for preparing the attached balance sheet and related notes in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing this balance sheet and related notes, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the balance sheet and related notes have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the balance sheet and related notes on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the balance sheet and related notes and Directors' Report comply with the Companies Act 2014 and enable balance sheet and related notes to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the board

Eoghan Finneran
Director

Senus Limited

INDEPENDENT AUDITORS' STATEMENT TO THE COMPANY PURSUANT TO SECTION 1291(1) (a) (ii) COMPANIES ACT 2014

We have audited the Balance Sheet and related notes 1 to 15 of Senus Limited as at 08 December 2025 which have been prepared under the accounting policies set out therein.

This Balance Sheet has been prepared by the company in connection with the Company's application to the Companies Registration Office to be re-registered as a public limited company under Part 20 of the Companies Act 2014 - Re-Registration.

This report is made solely to the Company's members in accordance with Section 1291(1) (a) (ii) of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of a Balance Sheet for the purposes of the application to the Registrar to re-register as a public limited company, in accordance with Section 290 Companies Act 2014 and the other relevant provisions of Part 6 Companies Act 2014 (so far as applicable to Balance Sheets as distinct from the other elements of financial statements) that gives a true and fair of the Company's assets, liabilities and equity as at the Balance Sheet date.

Our responsibility is to audit and express an opinion on the Balance Sheet in accordance with the Companies Act 2014 and International Standards on Auditing (Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the Balance Sheet

An audit involves obtaining evidence about the amounts and disclosures in the Balance Sheet sufficient to give reasonable assurance that the Balance Sheet is free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors;
- and the overall presentation of the Balance Sheet.

In addition, we read all the financial and non-financial information in the draft documents that will be submitted to the Registrar in accordance with Sections 1291 Companies Act 2014 to identify material inconsistencies with the audited Balance Sheet and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Opinion

In our opinion, the Balance Sheet as at 08 December 2025 complies with Section 1291 of the Companies Act 2014 and the other relevant provisions of Part 6 of the Companies Act 2014 (so far as applicable to balance sheets as distinct from the other elements of financial statements); and gives a true and fair view of the Company's assets, liabilities, and equity as at the balance sheet date.

In our opinion, at the Balance Sheet date as at 08 December 2025, the amount of the company's net assets was not less than the aggregate of its called-up share capital and un-distributable reserves.

Senus Limited

NOTES TO THE BALANCE SHEET

for the period ended 08 December 2025

1. General Information

Senus Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 605800. The registered office of the company is Block D, Daneswell Business Centre, Monksland, Athlone, Co Roscommon, Republic of Ireland which is also the principal place of business of the company. Senus provides Measurement, Reporting and Verification technology solutions to the land use sector. Our focus is on soil health, carbon sequestration, habitat mapping and water quality assessments for supply chains and land use managers. Senus is primarily a software development company that aims to enable the measurement and verification of land and its environmental assets. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the financial year ended 08 December 2025 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

The financial statements are presented in Euro, which is the functional currency of the company. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280B of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014.

Turnover

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on dispatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Tangible assets and depreciation

Tangible assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible assets, less their estimated residual value, over their expected useful lives as follows:

Fixtures, fittings and equipment	- 20% Straight line
Motor vehicles	- 20% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related withholding tax is recognised in the Profit and Loss Account in the financial year in which it is receivable.

Senus Limited
NOTES TO THE Balance Sheet
 for the period ended 08 December 2025

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Borrowing costs

Borrowing costs relating to the acquisition of assets are capitalised at the appropriate rate by adding them to the cost of assets being acquired. Investment income earned on the temporary investment of specific borrowings pending their expenditure on the assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Related parties

For the purposes of these financial statements a party is considered to be related to the company if:

- the party has the ability, directly or indirectly, through one or more intermediaries to control the company or exercise significant influence over the company in making financial and operating policy decisions or has joint control over the company;
- the company and the party are subject to common control;
- the party is an associate of the company or forms part of a joint venture with the company;
- the party is a member of key management personnel of the company or the company's parent, or a close family member of such as an individual, or is an entity under the control, joint control or significant influence of such individuals;
- the party is a close family member of a party referred to above or is an entity under the control or significant influence of such individuals; or
- the party is a post-employment benefit plan which is for the benefit of employees of the company or of any entity that is a related party of the company.

Close family members of an individual are those family members who may be expected to influence, or be influenced by, that individual in their dealings with the company.

Taxation and deferred taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the financial year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Balance Sheet date.

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Senus Limited
NOTES TO THE Balance Sheet
 for the period ended 08 December 2025

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The resulting exchange differences are dealt with in the Profit and Loss Account.

Research and development

Research expenditure is written off in the financial year in which it is incurred.

Development expenditure incurred is capitalised as an intangible asset only when all of the following criteria are met:

- It is technically feasible to complete the intangible asset so that it will be available for use or sale;
- There is the intention to complete the intangible asset and use or sell it;
- There is the ability to use or sell the intangible asset;
- The use or sale of the intangible asset will generate probable future economic benefits;
- There are adequate technical, financial and other resources available to complete the development and to use or sell the intangible asset; and
- The expenditure attributable to the intangible asset during its development can be measured reliably.

Expenditure that does not meet the above criteria is expensed as incurred.

Financial Instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised

Share Premium Reserve

The balance carried forward represents the share premium generated from the share issues in 2017 and 2023. Additional share premium was created through a further share issue in October 2025. A capital reduction was applied to the share premium on 8 December 2025.

12. Capital commitments

The company had no material capital commitments at the period ended 08 December 2025.

13. Related party transactions

The company has availed of the exemption under FRS 102 in relation to the disclosure of transactions with group undertakings.

14. Post-Balance Sheet Events

The company is currently undertaking a re-registration process with the Companies Registration Office (CRO) to convert to a public limited company (PLC). Following this, it is expected to apply to Euronext Dublin for the admission of its shares to trading on the + segment of the Euronext Access market in Dublin. The completion of this process is anticipated in December 2025.

15. Approval of financial statements

The financial statements were approved and authorised for issue by the board of directors on 11 December 2025.

**INDEPENDENT AUDITORS' STATEMENT TO THE COMPANY
PURSUANT TO SECTION 1291(1) (a) (ii) COMPANIES ACT 2014**

We have examined the Balance Sheet and related notes, 1 to 15, of Senus Limited as at 08 December 2025 which have been prepared under the accounting policies set out therein.

This Balance Sheet has been prepared by the company in connection with the Company's application to the Companies Registration Office to be re-registered as a public limited company under Part 20 of the Companies Act 2014- Re-Registration.

This statement is made solely to the company, in accordance with Section 1291(1) (a) (iii) of the Companies Act 2014. Our work has been undertaken so that we might state to the company those matters we are required to state to them under Section 1291(1) (a) (iii) Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this statement, or for the opinions we have formed.

This report is made solely to the Company's members in accordance with Section 1291(1) (a) (ii) of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the Balance Sheet and related notes as described on page 2. It is our responsibility to form an independent opinion, based on our examination, and to report our opinion to you.

Basis of opinion

The scope of our work for the purpose of this statement was limited to an examination of the relationship between the company's net assets and the company's called-up share capital and un-distributable reserves as stated in the audited Balance Sheet in connection with the company's proposed re-registration as a public limited company.

Opinion

In our opinion, at the Balance Sheet date as at the 08 December 2025, the amount of the company's net assets was not less than the aggregate of its called-up share capital and un-distributable reserves.
