Dear Shareholder,

We invite you to attend and vote at the 2026 Annual General Meeting of Senus PLC (the “AGM”) where we intend to conduct the Ordinary Business and the Special Business outlined below.

ORDINARY BUSINESS:

The first order of business is to review the Company’s affairs and to receive and consider the financial statements for the year ended 30 June 2025, together with the reports of the directors and the auditors thereon.

We will then consider and, if thought fit, pass the following ordinary resolutions:

Re-election of Directors

In accordance with the Company's Articles of Association, two Directors, Gerard Keenan and Brendan Allen, shall retire by rotation at the AGM. Both, being eligible and willing to act, are proposed for re-election at the AGM. The Board regularly reviews the performance of Directors and is satisfied that the Directors proposed for re-appointment continue to perform effectively and to demonstrate commitment to their respective roles. The reappointment of each Director will be considered as separate resolutions.

Resolution 1(A): *Re-elect Gerard Keenan as a Director of Senus PLC.*

Resolution 1(B): *Re-elect Brendan Allen as a Director of Senus PLC.*

Continuation in office of the Auditor

AMQ Accountants Limited (Company No. 613024), trading as AMQ Accountants & Auditors, (“AMQ”) was appointed by the Company in July 2025 to audit the Company's financial statements for the 12 month period ended 30 June 2025. AMQ has been appointed for a 3 year term, until the publication of the financial statements for the year ending 30 June 2028. Resolution 2 grants the Directors authority to retain AMQ as Statutory Auditor of the Company.

Resolution 2: *Authorise continuation in office of AMQ as Statutory Auditor to Senus PLC.*

Remuneration of the Auditor

Resolution 3 gives the Directors authority to fix the remuneration of AMQ as the Company's Auditors.

Resolution 3: *Authorise the Directors to fix the remuneration of AMQ as the Company's Auditors for the current financial year.*

SPECIAL BUSINESS:

We will then consider and, if thought fit, pass the following special resolution:

Disapplication of Pre-emption Rights

The Directors are seeking authority under Resolution 4 to dis-apply pre-emption rights in respect of issues of shares for cash up to an aggregate of two-thirds of the Company's issued ordinary share capital, until the Annual General Meeting in 2027. This will give the Company flexibility to raise further capital other than by way of pre-emptive share issues.

Resolution 4: *Authorise the Directors pursuant to Section 1022 and Section 1023 of the Companies Act 2014 to allot up to 1,690,479 new ordinary shares (representing approximately two-thirds of the Company's issued share capital of 2,561,332 ordinary shares as at the date of this document) for cash as if subsection (1) of the Section 1022 did not apply to any such allotment. If adopted, the authority under this Resolution will expire at next year's AGM or 15 months after the forthcoming AGM, whichever is the earlier.*

Attendance and Voting at the AGM

The Company values the participation of Shareholders at its AGM and encourages all Shareholders to take part in the meeting. Shareholders on the Company's share register on the Record Date are entitled to attend, speak, ask questions and vote at the AGM.

Determination of Resolutions

In the first instance each resolution put to the meeting shall be decided on a show of hands (one vote per shareholder in attendance) at the meeting and declared as carried, or not, by the Chairman at the meeting. In certain circumstances a poll (to count attending shareholder and proxy votes according to the number of shares held) may be called by the Chairman or otherwise taken in accordance with the Company's articles of association.

Recommendation

The Board is satisfied that each of the resolutions set out in this Notice of AGM are in the best interests of the Company and its shareholders. Accordingly, the Directors recommend that you vote in favour of the resolutions at the AGM, which they intend to do in respect of their own shareholdings in the Company.

For and on behalf of the Board,

Stephen Coen

Changes to entries in the register of members after close of business on the date specified above or, in the event that the meeting is adjourned, after 48 hours before the time of any adjourned meeting shall be disregarded in determining the rights of any person to attend or vote at a meeting.
2. Depending on how you hold your interests in the Company's shares, Shareholders have several ways to exercise your right to vote:
 - By attending the AGM in person; or
 - By appointing a proxy to vote on your behalf; or
 - If you hold your shares via a stockbroker or another intermediary you should consult with them on their processes and timelines to enable you give your voting instructions in time for the AGM.
3. Shareholders are entitled to attend and vote at the Annual General Meeting of the Company. A Shareholder may appoint one or more proxies to attend, speak and vote on their behalf at the meeting. By default Shareholders appointing a proxy, appoint the Chairman of the meeting as their proxy, unless otherwise specified by them. A proxy need not be a Shareholder.
4. The total number of issued ordinary shares on the date of this Notice of AGM is 2,561,332. Each share carries one vote. The Chairman has discretion to determine that the resolutions at the AGM are to be determined on a poll. To be passed ordinary resolutions require a simple majority of votes cast by those Shareholders who vote in person or by proxy. To be passed special resolutions require a majority of 75% of votes cast by those Shareholders who vote in person or by proxy.
5. Shareholders may appoint more than one proxy so long as each proxy is appointed to exercise rights attached to a different share or shares held by the Shareholder. To be validly appointed a separate proxy form must be returned for each proxy, indicating the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy. Appointment of a proxy does not preclude a Shareholder from attending the meeting and voting in person.

To be valid, Forms of Proxy for use at the Annual General Meeting shall be completed, signed and may be submitted online at <https://avenir-registrars.ie/our-portals/> where, if not already registered, you will need to create an account. 7. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments above also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
